

Become a Long Hill Library Champion!

Long Hill Township Library invites you
to become a **Library Champion**.

Who are Library Champions?

- They are people who love the Long Hill Township Library.
- They feel strongly that the library is an important part of the community.
- They want to be in the know about issues that affect the library.
- They are willing to stand up and step forward to support the library.

What do Library Champions do?

They receive email updates about library issues on a quarterly basis, and email alerts when issues arise that affect the library. When issues arise, Library Champions take action, such as:

- making phone calls to local officials or state legislators
- sending emails or writing letters to community leaders
- Meeting with local movers and shakers, or
- Talking about the library with their friends and neighbors.

Why do you need Library Champions?

The Long Hill Township Library needs strong advocates to help us address a myriad of challenges. Libraries face increased pressure because of uncertain funding in these difficult times, despite increased demand for library services, Internet access and programs. Now, more than ever, we need people who believe strongly in the importance of libraries to join our advocacy and education efforts.
